Mirza Hussain has again petitioned praying that as a result of the previous orders, his mother's pension of Rs 1-4-0 may be continued to him.

Submitted
As usual
13/5/30.

The pension of Rupees ten was only originally given as a life grant and in the distribution approved by Govt Rs 1-4-0 was allotted in favour of Rabia Begum. The petitioner's request was negatived on the 24 evidently on the ground that the small pension was urged upon the consideration to show the importance and original importance of the family rather than on account of poor circumstances. Vide Chief Secy's note dated 23.8.24 & Dewan's order 2 of it is a life grant, it may cease" Hay 5/11 The petitioner in the present appeal urges the need of the pension, on the ground that he is very poor with a large family to support. Perhaps DI's report on this point may be obtained and the request considered

From the Comptroller's note it is seen that two out of the three shares have been continued to the next generation. The reasons for non-continuance of one of the shares does not appear and known. The present request for the continuance of the pension by the applicant would thus seem to be reasonable as it is hard to deny to him privileges which others in the same family are enjoying. The request is forwarded.

Most Honoured Sir,

I, the undersigned, Mirza Hussain, respectfully beg to represent the following for your gracious consideration.

I beg to state in brief that I am one of the direct descendents of Mir Mohamed Ali Khan Nawab, who was drawing a political pension since the time of Hazrath Tippu Sultan. In consequence of our claim (Vide G.O. No.Fl. 4227-8/S&A 12-18-20. dated 17th January'20) the Government of His Highness the Maharaja of Mysore was pleased to grant a pension of Rs 1-4-0 to my mother, Rabia Begum, which she drew until her death in 1923. As eldest son and the only heir to my mother this pension should have been continued to me. It is unfortunate that while all other members of the same family enjoy their share of pensio I should alone be deprived of this privilege and help as per endorsement issued to me during the time of Sir Albion Rajkumar Banerji as Dewan -

I beg to say that my personal representation to you, Honour Sir, as Financial Secretary, were very sympathetically considered and I was given hopes that my claim would be ganted. But unfortunately the final order was not favourable.

I venture to take this opportunity and appeal to you, Honou Sir, for justice and sympathy in the cause of just claim. I am very poor with a large family to support. I humbly pray that I may gracio ly be granted a pension of Rs 1-4-0 to which I am entitled after my mother's death. This pension, though small, will go a great way in improving my condition.

For this act of kindness I shall ever pray for your long l and prosperity.

Bangalore,
10th September 1930.

I beg to remain,
Most Honoured Sir,
Your Most obedient servant,
Sd. Mirza Hussain.

Address:
